SUMMARY

Prix Pictet Award Nominee 2015 for Sustainability & Photography. Kenyan News Photographer of the Year 2013. Skilled professional represented by international photographers' collective Metaphor Images with 10 years experience in documentary, editorial and commercial photography. Assignments have involved conflict documentary for news-wire agencies, humanitarian and NGO event and project coverage, public health awareness, product promotion, commercial interiors for brochure publications. Publications include local and international newspapers, magazines, and gallery exhibitions. Kenyan-born, recognized for unique access to local subjects and contacts, easy to work with, international ethics and photo-journalistic standards.
